SMART Board

M Pro series
High secure TAA

The M Pro high secure series TAA display ensures that training and briefings are secure, efficient, and memorable.

Whether you're visualizing complex scenarios, analyzing mission critical data, or bringing team members up to speed, the M Pro high secure series TAA makes everything simple while staying secure.

55" | 65" | 75" | 86"

Available to purchase through most government contracts:

Trust in TAA
The M Pro high secure series TAA is manufactured in North America.

Ink Efficiently
SMART Ink desktop annotation software enables participants to directly annotate into PDF and Microsoft Office files without clunky overlays or app switching.

Enjoy Free SMART Software
Compatible with optional SMART Meeting Pro software.

Meet Your Way
Host and join meetings using on-premise video conferencing, or external meeting solutions.

Keep privacy a priority
No embedded software, microphone, WiFi, Bluetooth, or pass-through on memory storage devices ensures that your briefings remain secure and your team can add your trusted equipment where necessary.

Interact without Interference
Only SMART displays allow multiple users to simultaneously write, erase, and move objects on the display without interfering with each other's work.

Write Like Pen-on-Paper
Enjoy up to 40 touchpoints with pens, fingers, and erasers. Experience a smooth and accurate inking experience within any app on your laptop.

Make Decisions with Clarity
Sharper, brighter, and high-contrast visuals thanks to a 4K UHD LED display.

Hear Every Detail
A pair of powerful speakers provide up to 40W of crisp audio.

Set Up with No Fuss
Supports multiple HDMI, USB-C, USB-B, USB-A, and VGA ports.

Bring stability to your solution
Also compatible with our TAA compliant adjustable electronic stand (not included).
