

SMART Board

MX PRO

series

Effortlessly present, share, write, and save files in any format with the Google EDLA-certified SMART Board® MX Pro series interactive display, embedded with both collaboration tools and Google Play Protect services.

Built to stand the test of time and offering seamless over-the-air updates, this interactive display not only easily fits into your existing setup, but will also remain a dependable investment for years to come.

55" | 65" | 75" | 86"

Leverage Google Play

The MX Pro series is Google EDLA certified and built on Android 13 to give users a diverse app eco-system.

Work with the Best Tech

SMART's embedded iQ comes with a built-in shareable whiteboard, ready to go templates, and much more.

Enjoy Free SMART Software

SMART Meeting Pro and SMART Remote Management* included with every purchase.

Write Like Pen-on-Paper

Enjoy up to 40 touchpoints with pens, fingers, and erasers. Experience a smooth and accurate inking experience within any app.

Meet Your Way

Host and join remote meetings using your favorite apps: Microsoft Teams, Zoom, Google Meet, Webex, and more.

Ink Efficiently

SMART Ink desktop annotation software enables participants to directly annotate into PDF and Microsoft Office files without clunky overlays or app switching.

Interact without Interference

Only SMART displays allow multiple users to simultaneously write, erase, and move objects on the display without interfering with each other's work.

Make Decisions with Clarity

Sharper, brighter, and high-contrast visuals thanks to a 4K UHD LED display.

Hear Every Detail

A pair of powerful speakers provide up to 40W of crisp audio.

Speak with Confidence

The integrated 6 microphone array ensures that you're always heard by remote participants.

Set Up with No Fuss

Supports multiple HDMI, USB-C, USB-B, USB-A, and VGA ports. No additional adapters are required.

*Remote Management subscription is valid for the duration of the warranty.
